Clemmons (February 13, 2006)— Dr. Scott Foster, DC, Clemmons chiropractic doctor, is a Doctor with a Heart this Valentine's week to support the Make-A-Wish Foundation.

From February 13 – 17th, Dr. Foster will be offering his services during this 6th annual event free with a \$25 donation to the Make-A-Wish Foundation of Central and Western North Carolina, whose mission is to grant the wishes of children with life-threatening medical conditions. Only existing patients will be taken on the popular Valentine's Day date, while new patients are encouraged to schedule appointments throughout the week.

"I strongly believe in returning something to the community that's been so good to me and my family," commented Dr. Foster. "Make-A-Wish is an organization that touches my heart and I wanted to support them in a special way."

The ongoing support of Foster Chiropractic is one of many relationships the Make-A-Wish Foundation maintains in the Triad area, where one of the Central and Western North Carolina's regional offices are located. Supporting our supporters is one way to give to the Foundation.

All interested individuals are encouraged to call Foster Chiropractic Clinic by February 10th at 778-2242 to make an appointment. Foster Chiropractic is located at 2755 Lewisville-Clemmons Road, Clemmons, NC 27012.
