The Make-A-Wish Foundation® of Central & Western North Carolina's mission is to grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength, and joy.

Founded by Dr. Jerry Clark in 1985, this chapter was originally called the Charlotte Clark Chapter in honor Dr. Clark's first wife who he lost to cancer. The Make-A-Wish Foundation® of Central & Western North Carolina covers the state from Burlington (Alamance County) through the 51 counties to the west. To date, Make-A-Wish Foundation® of Central & Western North Carolina has never turned down an eligible wish.

The Post HOPE Foundation is a 501(c)(3) nonprofit that functions as the employee giving and charitable distribution arm of Post. It is responsible for facilitating employee service projects, coordinating employee giving programs, and assisting with employee fundraising efforts.

Our mission is that the Post HOPE Foundation will provide: help for those in need with donations of time, money, and resources from our associates and residents; heart for the communities we serve by leading as a conscientious corporate citizen; and hope for all by giving our best to those who need it most.
