Make-A-Wish Foundation® of Central & Western North Carolina

Party with a Purpose

The Make-A-Wish Foundation® grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy. It is the largest wish-granting charity in the world, with 69 chapters in the United States and its territories and 27 international affiliates on five continents.

The Make-A-Wish Foundation of Central and Western North Carolina serves 51 counties in North Carolina from Burlington (Alamance County) to the west, with regional offices in Charlotte, Asheville and the Triad. It has granted over 1800 wishes since its inception in 1985 and has never turned down a wish for an eligible child. Last fiscal year, the central and western chapter granted the wishes of 182 children and unfortunately, the number of eligible children continues to grow.

Please consider giving a donation to the Make-A-Wish Foundation for my birthday instead of a gift. If you choose to write a check, please make it payable to the Make-A-Wish Foundation. In turn, the foundation will provide you with a letter or card recognizing your charitable donation. Your generosity will help me make wishes come true!

For more information about the foundation, please visit www.ncwish.org or contact Emily Riley, the Kids For Wish Kids Coordinator, at (704) 339-0334 ext. 223.
